*Government Warning:* According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects.

*The Illinois Department of Public Health* advises that eating raw or undercooked meat, poultry, eggs or seafood poses a health risk to everyone but especially to the elderly, young children under 4, pregnant women and other susceptible individuals with compromised immune systems.

Thorough cooking of such animal foods reduces the risk of illness.

*Warning to persons under the age of 21 years:* You are subject to a fine up to \$500.00 under the ordinances of the Village of Oak Park if you purchase alcoholic beverages or misrepresent your age for the purpose of purchasing or obtaining alcoholic beverages.
